E-Z LIFT™ Handle Solutions*

E-Z LIFT™ handles are a patented product that is ideal for any heavy consumer retail packaging that is difficult to transport.

- Extension of existing cover tape-sewing speeds maintained
- Affordable and a bargain compared to molded versions
- Shoppers “pantry load” and buy two! (increase velocity)
- Eliminates costly short promotional bag runs
- E-Z LIFT does not require additional manufacturing steps
- Incredible graphics and messaging capability
- Lab tested up to 100 pounds
